Transition 2021

Watch for continuing coverage from Inside TSCA as President-elect Biden moves to put his environmental policy team, and as President Trump makes the final moves of his administration.

Latest News

Judge Orders 'Unwilling' EPA To Mandate Asbestos Reporting Under TSCA

A federal judge has ordered EPA to amend its Chemical Data Reporting (CDR) rule to require companies importing or using asbestos to report information about those uses to the TSCA program, after finding the agency acted unlawfully in denying Democratic states' and public advocates' petitions asking officials to do so. [**FULL STORY**](#)

Final PBT Rules Expand Proposed Use Waivers, Opening Door To Suits

EPA's has issued precedent-setting rules governing five persistent, bioaccumulative and toxic (PBT) chemicals that generally follow its 2019 proposal, though the final measures regulate hexachlorobutadiene (HCBD), which the agency had initially sought to exempt, while also new or expanded use waivers for several other chemicals. **FULL STORY**

TSCA Takes

SBA to host roundtable on perc, IRIS handbook

The event will likely preview EPA's options for regulating perchloroethylene while also cover the draft handbook that details the IRIS program's approach to conducting systematic reviews. **FULL STORY**
